25X1 6.	neard training at the signal school in Brno. No	25X1
	number was ever mentioned. However, there were no woman some communications activity in the 3rd Tank Division, up until	25X1 25X1
	branch insignia.	
7.	In the 3rd Tank Division, the lowest echelon having engineer units assigned to it was the regiment. The regiment had an engineer platoon of 40 men. An engineer battal ion consisting of about 120 men was assigned to division headquarters. These engineer units concerned themselves chiefly with building bridges in the division's area of responsibility, digging and repairing trenches, laying mine fields, clearing mine fields, and doing miner road repair work.	
25X1	1. Comment: This is in answer to the question whether all Soviet tanks, SP guns, and armored cars supplied to the Czech Army	25X1
	are radio equipped.
